Los Serranos Ranch Resident

Priority One Security will begin accepting renewal applications for your 2022 parking permit program starting October 01, 2021.

What does this mean? This means that the parking permit sticker on your vehicle will expire at the end of each year, consequently you will have to renew it every year. All vehicles within the community must be registered regardless of the need for a parking permit.

How can I renew my parking permit? By going to our website at www.p1s.us/permits-registration fill out and submit the form with all current requested documents.

Do I need to upload all the documents requested before? YES, go to our website at www.p1s.us/permits-registration upload all the documents and re-apply, all vehicles must be registered to the community and have a current DMV registration (expired vehicle registration will not be accepted).

Once your form has been received and all the information has been verified you will receive a \$50.00 Invoice via email if you qualify for a parking permit, once its paid your new 2022 parking permit will be sent to your address via USPS.

If you have any questions regarding your parking permit renewal please feel free to contact us with all your questions at: (714) 778-0447 or you can direct all your questions via email to preagan@p1s.us
